Dear Leo,

I believe you have seen the 17 June memorandum on "The Use of Intelligence in Public Diplomacy" with Attachments A, B, C and D dealing with (a) overhead photography, and (b) public release of unclassified reports, and the May 1981 report on "Public Release of Unclassified Reports". If you haven't, let me know.

I attach summary of a meeting in which I discussed the use of intelligence in public diplomacy with the DDCI, the Executive Director and the four Deputy Directors.

Sincerely,

William J. Casey
